

Loch Style Team Championship 2021

Covid-19 Safety Protocols

This document highlights the measures and modifications we will implement to ensure the competition is compliant with best practice guidelines.

1. Briefing

1. Emailed to captains Wed week of match.
2. Captains share with team members.
3. Match day briefing with captains only (AT & Fishery staff).

2. Parking

1. Outside lodge – team captains only.
2. Main car park – all other participants.

3. Face coverings

1. At all times indoors – tackle shop, toilets, café etc.
2. All anglers when boats motoring?
3. Stewards must always use masks during the sessions, unless exempt.

4. Sanitiser

1. Pack of wipes for each boat – angler wipe after each session (provided).
2. All Anglers bring their own hand sanitiser.

5. Results management

1. Steward only person to touch the measure.
2. Anglers present the fish in the net.
3. Stewards only person to handle & sign score card.
4. Angler must check score recorded & signed by steward (visual check after each fish).
5. staff to collect cards on jetty after each session.

6. No Presentation – to avoid a gathering & comply with WWFA guidance
 1. No post-match food or presentation (Presentation will follow post event).
 2. Publish results on Facebook and via direct email.
 3. Rearranged presentation within 2 weeks of event.

7. Start & end of session
 1. Use both jetties – subject to use by sailing club.
 2. Fishery staff to manage flow of boats docking and leaving to minimise amount of people on jetty at any one time.
 3. Officials to collect score cards for each boat on the jetty (stood at gateway).
