An overview for all coaching and non-coaching staff in the club.

This document provides a brief overview for frontline staff of how to respond to incidents involving 'Sexting'.

All such incidents should be reported to the Angling Trust Safeguarding Officer (ATSO) or their Deputy ATSO and managed in line with our safeguarding policies.

What is 'sexting'?

In the latest advice for schools and colleges (UKCCIS, 2016), sexting is defined as **the production and/or sharing of sexual photos and videos of and by young people who are under the age of 18**. It includes nude or nearly nude images and/or sexual acts. It is also referred to as 'youth produced sexual imagery'.

'Sexting' does not include the sharing of sexual photos and videos of under-18 year olds with or by adults. This is a form of child sexual abuse and must be referred to the police.

What to do if an incident involving 'sexting' comes to your attention

Report it to the ATSO or Deputy ATSO immediately.

- ✓ **Never** view, download or share the imagery yourself, or ask a child to share or download – **this is illegal.**
- ✓ If you have already viewed the imagery by accident (e.g. if a young person has showed it to you before you could ask them not to), report this to the ATSO.
- ✓ **Do not** delete the imagery or ask the young person to delete it.
- ✓ **Do not** ask the young person(s) who are involved in the incident to disclose information regarding the imagery. This is the responsibility of the ATSO.
- ✓ **Do not** share information about the incident to other members of staff, the young person(s) it involves or their, or other, parents and/or carers.
- ✓ **Do not** say or do anything to blame or shame any young people involved.
- ✓ **Do** explain to them that you need to report it and reassure them that they will receive support and help from the ATSO.

If a 'sexting' incident comes to your attention, report it to your DSO. The club's sexting and safeguarding policies should outline codes of practice to be followed.
