

Competition Rules

This document contains 3 sections, please ensure you and your team mates are fully aware of the rules.

1. General Rules
2. Match Rules
3. Rule Modifications

Section 1

General Rules

1. Betting - Competitors are not permitted to engage in any form of betting, including sweepstakes, connected with this competition.
2. Eligibility – angler must be aged 16 and above on the day of the competition to participate. Parental consent must be provided for u18's and sort prior to the last day of ticket sales by applying to Danny Williams at danny.williams@anglingtrust.net.
3. Disputes and Complaints - Any dispute or complaint must be reported to a match official within 30 minutes of the end of the match. A Sub-Committee of 3 persons designated by Angling Trust shall at once be convened to investigate the matter and adjudicate thereon. The decision of the Sub-Committee shall be final.

Section 2

Match Rules

1. Flies - By artificial fly only. Flies may be dressed on single or double hooks, tandem flies are not permitted. In the case of a double hook, the angle between the bends shall not exceed 90 degrees and, when viewed from the side, the bends must lie one behind the other. No fly shall be artificially weighted. No more than 4 flies, only one of which may be dressed on a double hook, may be mounted on a cast and flies must be at least 20 inches apart.
2. Hooks must be barbless, manufactured barbless or crushed barbs. If it goes in and out of a garment without impediment then it is legal. Hooks must not measure more than fiveeighths of an inch overall, including the eye. The overall length of the fly may not exceed fifteen-sixteenths of an inch. Suspected illegal flies should be put into an envelope and signed over the seal by the angler and boat steward. The envelope should be presented to a Match Official at the end of the session. Attractor chemicals and light emitters may not be used on flies.
3. Lines & Leaders - Lines, casts and leaders shall not be additionally weighted. No form of shooting line, metal core line or metal core braided leaders is permitted.
4. Rods - A competitor may use one rod not exceeding 12 feet in length and may have a spare rod of the same maximum length. But only one rod may be mounted. A rod is considered

Competition Rules

mounted if any two sections are joined or if a reel or line is attached. Roly poly is permitted and a competitors rod must be above water level.

5. Drifting - Boats must be allowed to drift freely during fishing and must not be held on oars, drogues or engine in such a manner as to interfere with, or gain advantage over, any other competitor. Flies must be out of the water whilst the engine is running or the boat is in forward or reverse motion. Trolling of flies behind the boat is not permitted, whether the boat is drifting or being driven by motor or oars. Side casting is permitted but flies must not be allowed to trail behind the boat.
6. During a match no boat may encroach within 50 yards radius of any other boat engaged in fishing, nor disturb the water in front of or around any such boat by the indiscriminate use of the motor. The water between boats may be shared. The match organiser may extend the 50 yard separation as befits the venue.
7. Fishing Zone – Traditional zones do not apply because anglers will compete with their team mates
8. Out of Bounds Areas - Whilst a competitor may cast into an 'Out of Bounds' area, the boat may not enter these areas **whether fishing or not.**
9. Sitting & Standing - Boat seats, thwart boards and the use of tackle boxes as seats are allowed provided the height of the seat is not more than 5 inches above the gunwales. Note 'Backrests' are also allowed on boat seats. Competitors must not stand in the boat when casting or retrieving line. Only when playing or landing a fish is standing in the boat permitted.
10. Command of the Boat – traditional rule will not apply as teams will compete in the same boat
11. Drogues - A single un-weighted drogue is permitted, of no more than 60 x 60 inches or 25 square feet. It may be fitted with functional metal fittings such as small link rings and swivels. The only control device allowed is a 'G' clamp. The drogue may be fixed on either side of the boat such that the drift is square to the wind. The drogue must trail no more than 15 feet behind the boat. Sliding drogue ropes are not allowed.
12. Respect for Other Anglers - In congested areas, boats must not deny reasonable access to other boats by undertaking repeated short drifts. Special care must be taken in such circumstances, especially when manoeuvring the boat. Boats are to keep at least 50 yards from bank anglers.
13. Electronic Devices - Competitors may not use electronic devices such as echo-sounders, fish finders or radios during the competition. An angler may carry a phone in the boat but must be switched off. The boat stewards may carry a phone and is allowed to be switched on but

Competition Rules

only used by steward in the case of an emergency or the organiser needs to contact the anglers or stewards in the boat. The use of mobile telephones is only permitted in the case of an emergency or to report a breach of rules to an official.

14. Hours of Fishing – Three 3 hour sessions per day with 30 minutes between sessions. In the event of dangerous weather, the organiser may make appropriate changes to session duration, start and end times. Competitors shall not fish before the start time and must begin from the designated start/finish zone. They must return to the start/finish zone in the boat in which they set out, no later than the session finish time. Prior to the start of the next session, boats are permitted to stay in the designated start/finish zone until the session begins.
15. Species & Size of Fish - Trout are the only permitted species. No minimum scoring size. All fish to be measured and rounded up to nearest cm and released at the point of capture. Eg 31.4 cm will be rounded up to 32cm. Fish must be placed in an official measuring trough and measured from tip of the tail to the point of the nose
16. Scoring - Eligible fish to be measured and released at the point of capture, boat score cards must be signed by both anglers and the boat steward at the end of each session and handed to the organiser by an angler (not boat steward) before the next session starts. Score cards not submitted at the end of the session and before the start of the next session will be deemed to have a nil return.
17. Placings - Competition results will be decided by the teams combined length in cm at the end of the final session. If a tie exists, the greater number of trout will prevail. If there is still a tie, the longest individual fish will take precedence.
18. Boatmen & Boat Pairings – Boats & Stewards shall be allocated by ballot and team pairings will apply. An angler from another team will become a boat steward for each team pair. Each team member must act as a boat steward on each day. Team Captains must provide Angling Trust with a team sheet listing angler names 1-6

Angling Trust will conduct a Facebook Live draw to determine the allocation of boat numbers on both days. Team X draws boat numbers 5 and 6 for day 1 meaning they will fish from these boats for all 3 sessions. Teams act as boat stewards for the team in the boat numbers that follow their own ie Team X would control for the team with boat numbers 7 and 8.

Both days

Session 1: Angler 1 & 2 fish	Angler 3 boat steward
Session 2: Angler 2 & 3 fish	Angler 1 boat steward
Session 3: Angler 1 & 3 fish	Angler 2 boat steward

Competition Rules

After each session

1. Boat steward transfers to their team boat
2. Angler who will be steward for next session leaves jetty and hands team score card to organiser
3. Steward then heads to the boat they will control

Anglers only permitted to leave the jetty area in between sessions for a comfort break or to collect equipment from vehicle in between sessions. Visit to the tackle shop is not permitted once the competition begins.

19. Emergencies - If assistance is required, the boat steward may use their mobile phone to call for assistance, if mobile cannot be used, an oar should be raised to alert officials. During competition hours, a boat may be beached only in an emergency such as medical, boat, or severe weather problems.

20. Safety – Life jackets are compulsory from the moment competitors step onto the jetty, enter the boat and exit the jetty. We strongly recommend competitors use eye protection when either travelling in, or fishing from boats.

Penalties
