

7<sup>th</sup> February 2023

## Angling Trust Winter League Final – Saturday 25<sup>th</sup> February 2023

### Clarification of Draw Process 2023

Following on from the captain's letter last week, and on the back of a few questions from teams we thought we'd clarify the draw procedure for the 2023 Winter League final, this approach will also be utilised in the Nationals this year.

### Wednesday 22<sup>nd</sup> February

- Online draw for sections at 6pm on Angling Trust Competitions Facebook page. This will simply draw one letter for Decoy and on the Drains and the sections thereafter will follow. This should help with anglers who will be car sharing in most instances.

This is also the point where Teams will know which sections are which, allowing anglers to practice on specific lakes at Decoy until Saturday, The Drains will be closed during this period to protect the fishing at the final (closed from Sunday 19<sup>th</sup> Feb, 6pm to competing anglers).

### Example Draw:

Drains Draw – Letter C picked from bucket:

Name	Draw
John Smith	C
Gary Player	D
David James	E
Elvis Presley	A
Dean Michael	B

#### Registered Office and Membership team:

Angling Trust Ltd, Eastwood House, 6 Rainbow Street, Leominster, Herefordshire HR6 8DQ  
**0343 5007 006**

#### Competitions, Coaching and Finance teams:

Angling Trust Ltd, The Old Police Station, Wharnccliffe Road, Ilkeston, Derbyshire DE7 5GF  
**0115 822 4660**

**anglingtrust.net**

Company registered in England  
and Wales no **05320350**  
VAT number 948411215

Decoy Draw – Letter J picked from bucket:

Name	Draw
Paul Young	J
Ziggy Stardust	K
Chris Martin	F
Shaun Wright Phillips	G
Juan Pablo Montoya	H

### **Saturday 25<sup>th</sup> February**

Draw for peg sets which will align all of the anglers to a designated peg on either the Drains or Decoy. Thus it is encouraged that anglers make their way to their designated section on the morning and team captains either phone or WhatsApp through the peg sets, for the drains please make this no earlier than 8am so we can get people parked as best as possible.

Kind regards,

**James Lewis**
